

CITRUS SPOTLIGHT

Spotlight on SHAFFE Exports Cumulative to Week 23 (tons)

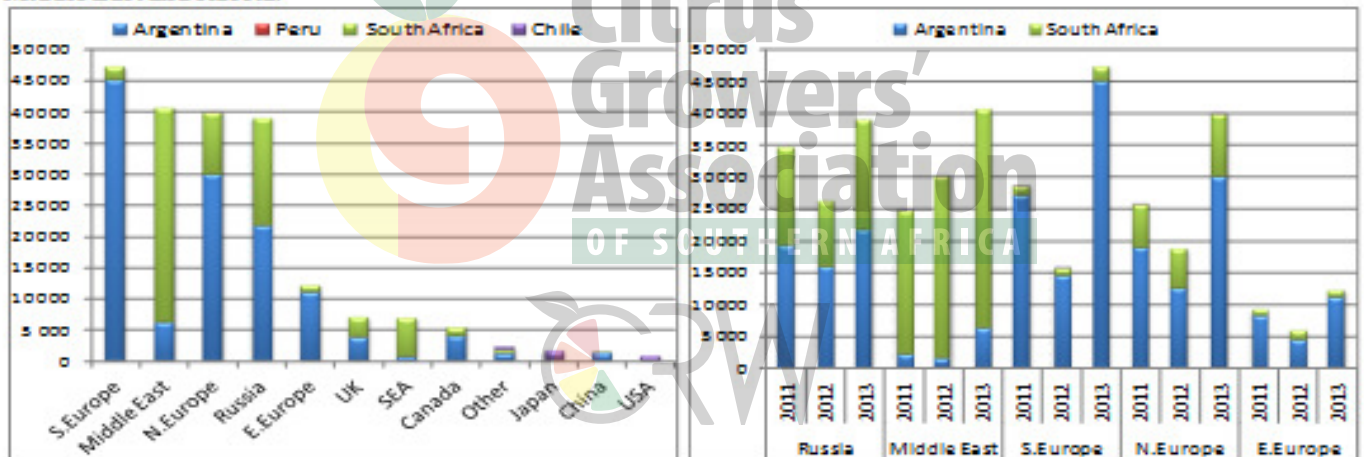

SOFT CITRUS:

UK and Russia have been the main markets for southern Hemisphere soft citrus to week 23. Relatively little soft citrus has been sent from Uruguay and Argentina to UK and Northern Europe in 2013 compared to previous years..

LEMONS:

Argentina has targeted northern and southern Europe for its lemons offering whilst South Africa is concentrating on the Middle East and Russia.

ORANGES:

South Africa dominates orange exports; with only Australia competing with South Africa in South East Asia.
