Dinner at Tuinhuys

The State President invited members of the fruit industry to a dinner honouring the Chinese Premier at Tuinhuys. Robert-Louis Kuhn (MD Dole South Africa and FPEF Chairman), Stuart Symington (CEO FPEF), Charles Hughes (CEO TruCape), Anton Rabe (CEO DFPT) and Justin Chadwick (CEO CGA) attended the dinner, which was also attended by cabinet ministers.

The dinner was held on the evening of signing the new Chinese protocol, and allowed an opportunity for the industry to drink a celebratory toast with the new Minister of Agriculture. The dinner itself offered an opportunity to interact with the Chinese Ministers of Plant Health and Agriculture, as well as further discussions with other South African Ministers.
