

Contents

1. General Safety

- Introduction
- Occupational Health and Safety
- Protective Equipment and Clothing
 - Types of Protective Equipment and Clothing
 - Maintenance of Protective Equipment and Clothing
- Preventing Soil and Water Contamination
- Emergency Procedures
 - Poisoning
 - Spillage
- Conclusion

2. Agrochemical Storage

- Introduction
- Regulations for Storing Agrochemicals Safely
- Safety Signs
- Agrochemical Identification
- Hazard Classification
- Sanitation
- Disposal of Contaminated Items
- Recordkeeping
- Conclusion

3. Agrochemical Application Principles

- Introduction
- Application Methods
 - Foliar Applications
 - Trunk Applications
 - Soil Applications
- Mixing Agrochemicals
- Measuring Equipment
 - Pre-Mixing
 - Calculations
 - Mixing
- Calibration of Application Equipment
- Cleaning Equipment
- Recordkeeping
- Conclusion
